

BULGARIA TO ASSUME HER RESPONSIBILITIES FOR HORRORS OF WAR

When Terms of Peace Were Formally Presented to Her in Paris To-day, Gen. Theodoroff, Head of the Bulgarian Delegation, Declared the People of His Country Were Not Responsible.

BLAMED KING FERDINAND AND FOREIGN MINISTER

Gen. Theodoroff Admitted That Bulgaria Had Committed Faults and Was Ready to Bear the Consequences Within Bounds of Equity—Has 25 Days to Make Protest.

Paris, Sept. 19. (By the Associated Press).—The treaty of peace between the allied and associated powers and Bulgaria was presented to the Bulgarian mission at the French foreign office this morning at 10 o'clock.

After the delegates had assembled, Georges Clemenceau, president of the peace conference, spoke briefly in opening the session. He was followed by General Theodoroff, head of the Bulgarian mission. M. Theodoroff spoke for 15 minutes, pleading that the Bulgarian people were not responsible for the war, but that the Bulgarian government had thrown the country into the struggle.

He realized, however, he said, that the people must share the responsibility. "They are willing to do so," he said, "but feel that in no way have they committed such a crime as will compel them to accept servitude."

King Ferdinand and Vassil Radoslavoff, Bulgarian foreign minister in 1914, were blamed for Bulgaria's entry into the war by M. Theodoroff. He said the Bulgarian people did not approve of the German alliance, which he declared "came to them as a calamity."

"They realized they must accept part of the responsibility," he said, "and we shall bear their consequences within the bounds of equity, but there is a punishment no crime can justify and that is servitude."

Each of the 27 governments participating in the conference, including Rumania, was present. Frank L. Polk, head of the United States delegation, sat on M. Clemenceau's right, and Sir Eyre Crowe, the new British plenipotentiary to the peace conference, sat on the president's left.

The Bulgarian delegates, M. Theodoroff, M. Ganeff, M. Sakessoff, M. Stambulsky and M. Harzoff, entered after the other delegates, who rose when the enemy representatives appeared. The Bulgarians showed courteous confidence.

Twenty-five days are allowed Bulgaria to present observations on the treaty terms. The ceremony ended at 11 o'clock.

Many delays have marked consideration of the Bulgarian treaty, which was presented to the representatives of that government to-day. Work on the pact was begun on May 26, but the negotiations with Germany and Austria prevented the peace conference from completing to convention until late this week.

Although the United States was not at war at any time with Bulgaria, she will be a signatory to the treaty for the purpose of adding her influence in securing observance by Bulgaria of the covenant of the league of nations, which is an integral part of the pact. This country, however, will not be represented on the inter-allied commission charged with the enforcement of the financial clauses of the treaty.

Disposition of Thrace was the subject on which the peace conference was forced to spend the most time in the preparation of the treaty. As it developed, this question has not been finally adjusted, but Thrace is to be excised from Bulgarian territory and left under the supervision of the principal allied and associated powers, which will later announce their decision as to the future status of the country. A plan by which the port of Deveci, on the Aegean sea, would be given to Bulgaria, with a corridor leading to the German treaty by which Poland was given access to Danzig on the Baltic, has been considered but it has never been formally adopted. Bulgaria, under the treaty terms, however, is assured an economic outlet to the Aegean.

SPOKE AGAINST LEAGUE.
Senator Johnson Thinks the People Also Oppose It.

St. Paul, Minn., Sept. 19.—Senator Hiram W. Johnson of California, in an address delivered to a special session of the Minnesota legislature this morning, presented his arguments in opposition to the unequal ratification of the league of nations covenant.

The senator expressed the opinion that if action on the league could be delayed 60 days, the people would speak in positive terms and insist upon its defeat or amendment so as to protect the country's interests.

The W. E. Moore grocery stock sale will commence Monday, Sept. 22, instead of Sept. 21, as advertised in another column.

FIRING SQUAD HALTS WORK ON LENOIR

French Man Convicted of Being Spies Was to Have Been Executed This Morning.

Paris, Sept. 19.—Announcement was made this morning of the postponement of the execution of Pierre Lenoir, who was tried with Senator Humbert and others on a charge of communicating military intelligence to the enemy, and who was to have faced the firing squad at dawn to-day.

The neighborhood of Vincennes woods, where the execution was to have taken place, was put under a strong guard of soldiers from the 13th artillery regiment early to-day. Soon afterward Major Gromier, commander of the troops at Fort Vincennes, and M. Baux, prefect of police, arrived, and a firing squad from the 26th unmounted chasseurs took up their position. At 6:30 o'clock the two members left the forest and drove directly toward the execution grounds and men and women going to work, seeing the soldiers, remarked: "It is all over for Lenoir," but soon afterward it was learned that the execution was delayed for a short time.

The military justice, a party of lawyers and a chaplain went to Lenoir's cell, finding the condemned man very calm. "My father taught me not to fear death," he said, "and I shall die courageously. I love France and never betrayed my country."

Asked if he had any communication to make to the party, Lenoir replied: "At the moment of death, I repeat what I have always vainly asked to be confronted with Joseph Caillaux."

(Joseph Caillaux, former premier of France, now in under arrest in a hospital near Paris under charges similar to that upon which Lenoir was convicted.) Lenoir then argued that the action of the court had shown that his case and that of Caillaux were connected. Lenoir's lawyer then demanded that his request be confronted with M. Caillaux be communicated to the under secretary of military justice. This was done and the order to postpone the execution was received two hours later.

CONFESSED KILLING DAUGHTER.

Robert Hicks, Aged 75, Objected to Her Suitor.

Kansas City, Mo., Sept. 19.—Confessed murderer of his 19-year-old daughter, Louellen, 23 years ago, according to the other who had him in charge, Robert Hicks, 75 years old, to-day was taken to Springfield, Mo., to stand trial. Hicks was arrested at Chehalis, Wash., where he was charged with the death of his daughter. The girl's death had remained a mystery until Aug. 30, last, when the aged man said he had admitted strangling her with a piece of cord.

A misunderstanding arose, according to a statement Hicks made in his confession here, over the girl receiving a young man's attentions. Louellen threatened to shoot him, he said, when he observed her to her suitor. Then he strangled her and fled to Washington, where he since has lived, Hicks said.

MANSLAUGHTER CHARGE

Against Edward T. Daley of Burlington in Death of Rugg Girl.

Burlington, Sept. 19.—Edward T. Daley is under arrest on the charge of manslaughter in connection with the death of Hazel Rugg, aged 20, who was killed by an automobile Wednesday night. The charge of manslaughter was made yesterday after State's Atty. Martin had consulted with the police. Daley was first arrested on the charge of reckless driving. The police are searching for persons said to have been occupants of the automobile.

The arrest of Daley was brought about through the finding of the lip of a mudguard found near the place where the body of the girl lay. Daley's machine is said to have had the lip of one mudguard torn off. Daley said he was in Williston Wednesday night and knew nothing of the case but he was arrested in a hunch at 10 o'clock Wednesday night, the automobile being parked nearby.

TO SAN DIEGO NEXT.

President Wilson Was Expected to Reach There This Morning.

San Diego, Cal., Sept. 19.—Arrangements, whereby it was hoped the sound of President Wilson's voice would reach a crowd larger than any that has heard him speak to-day. Electrical apparatus for transmitting the president's words to all parts of the stadium here, which has space for 50,000 people, was installed several days ago, and after a final test to-day, was pronounced in perfect working order.

The president's train was to arrive from Oakland at 1:30 p. m.

TO REPRESENT JAPAN.

Shidehara, Vice-Foreign Minister, Is to Come to United States.

Tokyo, Sept. 17.—Official announcement has been made of appointment of Kiuro Shidehara, vice-foreign minister, to be Japanese ambassador to the United States.

At the same time The Official Gazette states that Masano Hanjira, former Japanese consul at San Francisco, has been appointed vice-foreign minister.

PROPOSE NOTCH HOTEL

Vermont People Started Off by Subscribing \$12,000.

Stowe, Sept. 19.—Twelve thousand dollars was subscribed toward a Smugglers' Notch hotel by members of a party of Vermont people who held an enthusiastic get-together at the notch yesterday. The plan most favored was to have the hotel not far from Stowe or at the foot of Mount Mansfield, where a fine golf course could be laid out. A lodge might be built later in the notch itself.

WILSON'S PLEA IS SET ASIDE

And Steel and Iron Workers Will Walk Out Next Monday

CERTAIN "FACTS" PREVENTED DELAY

According to Letter Which Steel Workers Sent to Wilson

Pittsburg, Pa., Sept. 19.—Labor leaders from various sections of the country who attended the meetings here during the past two days of the national committee for organizing iron and steel workers, were en route to their homes to-day to make final arrangements for the nation-wide strike of iron and steel mill employees, not working under union agreements, which is to go into effect next Monday.

All hopes for a postponement of the strike until after the industrial conference in Washington Oct. 6, as requested by President Wilson, were lost yesterday when the committee voted down a motion to rescind the strike order and adopted a motion favoring the walkout.

In a letter dispatched to Pres. Wilson last night the committee asserted that its entire membership, the presidents of 24 international unions, representing over 2,000,000 organized men, desired to comply with his request for a postponement of the strike if possible and that such action would have been taken had it not been for certain "facts," which were embodied in the communication. The letter recounted the efforts of the American Federation of Labor to gain a conference with E. H. Gary, chairman of the United States Steel corporation, and after the latter's refusal to meet with representatives of the organization who wished to present claims of the workers.

The "facts" given in the letter as the cause of the strike, charge that "ever since the men started to organize, a systematic persecution was instituted, beginning with discharge and ending with murder, recalling to us vividly the days of Homestead and the reign of despotism in Russia."

TO SUPPORT STEEL WORKERS.

Sailors' Union at Detroit Voted to Strike in Sympathy.

Detroit, Mich., Sept. 19.—Members of the sailors' union of this port unanimously in favor of a strike in sympathy with the strike of the steel workers, called for Sept. 22, union officials announced this morning. Two hundred and thirty-nine ballots were cast.

The vote of the marine cooks and stewards' union and the marine firemen's union is being taken and tabulation will be completed to-morrow, it is stated.

A strike would tie up more than 100 ore-carrying vessels of the Pittsburgh Steamship company, said to be a subsidiary of the United States Steel corporation, and boats of allied and associated companies, union officials declare.

Officials also claim shutting off of the supply of ore by a marine strike would result in closing "open shop" plants of the steel corporation.

WILL MAINTAIN "OPEN SHOP."

Youngstown Concerns Issue Statements to Their Employes.

Youngstown, O., Sept. 19.—Statements were issued today by the big independent steel companies of the Youngstown district, announcing that the principle of "open shop" will be maintained, and calling upon their employes to remain loyal and stay at work Monday, when the steel strike is scheduled to take effect. The Youngstown Sheet and Tube company, employing 15,000 men, the Brier Hill Steel company, 65,000, and the Republic Iron and Steel company, 75,000, issued statements which were published in foreign language newspapers to-day.

PROTECTION PROMISED.

For Street Cars and Crews at Camden, N. J.

Camden, N. J., Sept. 19.—With the assurance from Mayor Ellis that ample protection would be furnished, the New Jersey Public Service corporation were planning to resume the operation of trolley cars on its shipyard lines to-day. It is upon these lines that most of the disorder growing out of the establishment of a zone system of fares has occurred. The service was suspended on Wednesday after a number of disturbances, in which street cars were stoned and other property of the Public Service corporation had been damaged. Fearing mob violence, the conductors and motormen refused to take their cars from the yards.

Service was resumed on the other lines yesterday with comparatively little disorder.

NATIVE OF MONTPELIER.

Mrs. Fred G. Hatch Died at Concord, N. H., Yesterday.

Concord, N. H., Sept. 19.—Mrs. Nellie Maria Hatch, aged 59, wife of Fred G. Hatch, died yesterday in this city, where she had come from Woodville four years ago. She was a native of Montpelier, Vt., and a member of the Rebekah lodge at White River Junction, Vt. Besides her husband, she is survived by two sons, Harold and Llewellyn Hatch of this city, and a brother, Frank R. Smith, of West Lebanon.

INVASION THREATENED— TO YOUR GUNS, MEN!

Army of 5,000 British Women Are to Advance on the United States in Search of Husbands.

New York, Sept. 19.—Five thousand British women determined to annex American husbands soon will arrive in the United States, according to a warning issued to bachelors to-day by Mrs. S. C. Seymour of Camden, N. J., who has just returned from Europe. Mrs. Seymour was employed by the military authorities to supervise the transportation of the war brides of American soldiers in different parts of Europe.

Mrs. Seymour announced that the matrimonial army of invasion had already applied for passports and would arrive as soon as the present restrictions are lifted, which is expected to be on Oct. 1. A note of encouragement was struck by Mrs. Seymour in the statement that the 5,000 husband hunters were well supplied with money.

During the eight months she spent abroad Mrs. Seymour arranged for the transportation of 3,500 war brides and 257 children, representing 22 nationalities. She said that 150 of the brides were Czech-Slovak and that many more of the same nationality were among 340 additional brides who are due to arrive Monday on the President Grant.

GRAND MARCH WON TWO NORTHFIELD RACES

Captured 2:28 Pace on Last Day of Dog River Valley Fair, and the 2:23 Pace on Wednesday.

Northfield, Sept. 19.—The Dog River Valley fair finished yesterday. Grand March, winner Wednesday in the 2:23 pace, won first money in yesterday's 2:28 class. The summary:

2:28 CLASS PACING, PURSE \$300.	
Grand March, chs. by Glen Forester (McLeod)	1 1 1
Z C B, br. (McShane)	2 2 2
Belle Louder, blk. (O'Clair)	3 3 3
Polysa, br. (Lyons)	4 4 4

2:18 CLASS PACING, PURSE \$300.	
Binkie, br. (O'Clair)	1 1 1
Cochet, br. (Lyons)	2 2 2
Maj. Deen, chs. (Blackpole)	3 3 3
Daley G., br. (Lyons)	4 4 4

The results of Wednesday's races were as follows:

2:40 CLASS PACING, PURSE \$300.	
Helen Clay, br. by Cardinal Wilkes (Lyons)	1 1 1
Z C B, br. (Lyons)	2 2 2
May B, br. (Lyons)	3 3 3
Braze, br. (McLeod)	4 4 4

2:10 CLASS PACING, PURSE \$300.	
Grand March, chs. by Glen Forester (McLeod)	1 1 1
Dech, br. (O'Clair)	2 2 2
Phil Cochet, br. (Lyons)	3 3 3
Quinn, br. (Lyons)	4 4 4

2:10 CLASS PACING, PURSE \$300.	
Bingo, br. by Binara (Dawson)	1 1 1
Roundline, br. (Lyons)	2 2 2
Peter, br. (Lyons)	3 3 3
Beck, br. (O'Clair)	4 4 4

RESUME TREATY READING.

Senate Will Not Get Around to First Test Vote Till Next Week.

Washington, D. C., Sept. 19.—After a two-day interruption incident to the parade of the 1st division here and reaction to General Pershing, the Senate was ready to-day to resume reading of the treaty of peace with Germany. When the reading was suspended at the close of Tuesday's session, it had reached only article three of the league covenant, and indications are that the first voting test will not be reached until well into next week.

Action of Senator Borah, Republican, of Idaho, last night in sending word to Senator Johnson, Republican of California, to abandon temporarily, at least, his speechmaking tour and to return here, was understood to presage early consideration of the amendment, of which Senator Johnson is author, and which would equalize the voting power of Great Britain and the United States in the league.

IN BOSTON NEXT YEAR.

Sovereign Grand Lodge of Odd Fellows to Gather.

Baltimore, Sept. 19.—The sovereign grand lodge, independent Order of Odd Fellows, and affiliated bodies, the Patriarchs and the association of Rebekah assemblies finished their annual convention here to-day and adjourned to meet in Boston next year.

The sovereign grand lodge passed a resolution requiring compliance with its war-time order for the absolute prohibition of any language except English in lodge meetings and in the ritual.

In the competitive drill, Auto City canton of Detroit, Mich., won first prize; Pottsdam, Pa., canton No. 6, second prize, and Oswego canton, No. 8, third prize. For the highest number of any state department in line at the parade, the department of Pennsylvania took first prize, department of Ohio second, and department of Michigan, third.

For the largest representation from any one of the cantons, the first prize went to Akron lodge, No. 2.

WILL ENTER POLITICS.

Anti-Saloon League of America to Seek Presidential Candidates.

Chicago, Sept. 18.—The anti-Saloon League of America will enter national politics immediately, it was announced to-day, to enforce the demand that the political parties next year nominate candidates for president who are openly pledged to unreserved enforcement of the prohibition amendment to the federal constitution.

This course was decided upon by the executive body of the league at its final session of the conference with state presidents of the league.

MANY COWS BEING TESTED

Marked Increase Shown in Steps to Eradicate Tuberculosis.

The extra allowance which the board of control granted the department of agriculture at its meeting this week for the purpose of securing extra veterinary men to test cattle. Under the appropriations of the legislature, which were increased, there has been a marked demand to have cattle tested. Last year 30,000 head, or about 1,000 herds of cattle, the federal commissioner has recently informed Mr. Brigham that Vermont's plan of eradication of tuberculosis in cattle is getting much greater results than that used by any other state in the union.

SAGGING WIRE KILLED WOMAN

Swept Mrs. Eleanor Austin, Aged 34, Out of Auto on Mohawk Trail

HER HUSBAND WAS ALSO INJURED

Guy Wire of Electric System Was Not Seen in Fog

Greenfield, Mass., Sept. 19.—Mrs. Eleanor Austin, aged 34, of Barberton, Ohio, was killed and her husband, A. O. Austin, was slightly injured early to-day when, in passing over Shelburne mountain on the Mohawk trail, a guy wire of a high tension electric transmission system caught their automobile. Austin's neck was broken. Fog obscured a view of the sagging wire, which swept both occupants from the car. They were on their way from this town to North Adams.

RECRUITING BOSTON POLICE

Central Labor Union Will Get Votes To-night on General Strike.

Boston, Sept. 19.—Abandonment of plans for court action in behalf of the striking policemen and the calling of a special meeting to-night of the committee of the Central Labor union delegates to receive reports of strike votes taken by the individual locals during the past week revived discussion to-day of a possible general strike to support the strikers in their demand for union recognition.

Police Commissioner Curtis began a state-wide campaign to-day to fill the places of the strikers which the attorney general has ruled are vacant. A special appeal to former service men was made through newspaper advertisements. Reports are offered a minimum salary of \$1,400 and their first uniform free.

The uniformed police force now numbers 641 patrolmen, Supt. of Police Crowley said to-day. The normal force is about 1,500 men. The present membership includes 406 patrolmen of experience, he said, the remainder being recent recruits.

The superintendent said the length of the state guard's term of duty here still was uncertain, but it would be shortened considerably if a sufficient number of recruits was obtained in the campaign begun to-day. The department, he said, has received many applications for places on the new force from men who served overseas, many of them as provost guards or military police, and who require little training to develop them for municipal patrol work.

MAY SURRENDER CHARTER.

Brookline, Mass., Firemen Are Considering Matter.

Boston, Sept. 19.—Members of the Brookline fire department, who are members of the International Association of Fire Fighters, affiliated with the American Federation of Labor, are considering the surrendering of their charter, it was announced to-day. The date for the meeting to vote upon the question has not been set but officials said the matter had been considered by men in the various fire houses and that the sentiment was strongly against continuing in the union.

PLAN TO BUILD IN BURLINGTON

Queen City Realty Co. Is to Construct Large Theaterium.

The Queen City Realty Co. of Burlington has filed articles of association in the office of the secretary of state for the purpose of building a block in Burlington. It is understood the company expects to build on Main street a large theaterium, with offices in front, and that it has very broad provisions in its articles, so that it may operate a restaurant or other business in the rear of the building. The papers are signed by H. D. Henshaw, J. J. Flynn, Elias Lyman, Graham Wilson, T. A. Newcomb and C. D. Ordway. The capital stock is \$200,000.

The Safety First Ink Co. of Burlington has filed articles in the same office for the manufacture of ink paste or mucilage, with a capital stock of \$5,000. The papers are signed by Jessie M. Charles L. and S. E. Stay of Burlington.

VERMONT ELECTRICIANS

Held Their Annual Meeting at Lake Dunmore.

Rutland, Sept. 19.—Over 50 members of the Vermont electrical association gathered at the annual meeting held yesterday afternoon and evening at the Lake Dunmore house at Lake Dunmore. Following the meeting, 75 members and invited guests partook of a sumptuous banquet.

The following officers were elected for the ensuing year: President, E. E. Larabee, Bennington; first vice-president, J. A. Prouty, Newport; second vice-president, I. M. Frost, Rutland; secretary and treasurer, A. B. Marsden, Rutland; executive committee, Wilfred Smith, Woodstock, F. S. Nicholson, Rutland, R. P. Osgood, Windsor, S. C. Moore, Worcester, E. E. Gage, St. Johnsbury, and C. C. Wells, Middlebury.

CARRIES 14 PEOPLE.

Lawson Air Liner Started on Trans-Continental Flight.

Minneapolis, N. Y., Sept. 19.—Carrying 14 passengers, including a crew of five men, the Lawson air liner left here at 8:39 o'clock this morning for Washington on the first leg of a proposed trans-continental flight. The plane recently completed a trip from Milwaukee, Wis., to this town. Contrary to expectations, no United States senators were carried on to-day's trip.

Landed Safely at Washington, D. C.

Washington, D. C., Sept. 19.—Flying against heavy head winds, the Lawson airplane which left Minneapolis, N. Y., at 8:39 to-day, landed safely at Bolling field, near here, at 12:46 p. m. After a three-day stop here the plane will start for Dayton, Ohio, which is the next stopping place on a trip expected to end at San Francisco.

BUTTON GETS \$2,500 IN ALIENATION CASE

W. C. Knight, Who Lost Suit in Washington County Court, Is Expected to Take the Case to Supreme Court.

A verdict of \$2,500 for the plaintiff was the decision of the jury in Washington county court Thursday afternoon in the case of Worthen Button vs. W. C. Knight in which it was claimed that Knight had alienated the affections of Mrs. Button from her husband, Worthen Button, so that Mrs. Button left her husband about three years ago. The arguments were completed on Thursday morning, followed by the judge's charge, which took about all of the morning, and the case was given the jury before dinner. They reported about 3:30 o'clock in the afternoon with a disagreement.

The court asked Foreman H. E. Badger if they wanted any advice. He replied in the negative. The attorneys had a conference, after which the court instructed the jury further as to the liability of the defendant and then the jury went again to their room in the lower part of the county building. After about an hour's deliberation they reported that they were ready to appear again in court and upon doing so they reported that they had found the defendant liable and that the plaintiff was, in their judgment, entitled to recover \$2,500 damages.

J. Ward Carver, attorney for the defendant, had taken exceptions relative to the introduction of evidence and it is understood, to the judge's charge. He said last evening that the case will go to supreme court.

While the jury had the above case an attempt was made to draw a jury in the case of L. H. Miller vs. Allen Belville. Several talesmen were called, so many, in fact, that in the opinion of the court it did not appear wise to go further along that line, with the result that a recess was taken until this morning.

The jury was drawn this morning as follows: F. G. Bemis, Marshfield; E. J. Converse, Calais; Ira and D. W. Edson, Montpelier; T. J. Ferris, Moretown; L. C. Hammett, East Montpelier; F. W. Nichols, Montpelier; Lewis Rock, Northfield; E. V. Willey, Barre Town; H. M. Pierce, L. A. Hall, Montpelier, and E. T. Kellogg, Worcester.

The suit is brought to recover \$500 and is relative to timberland and a mortgage which Mr. Miller alleges to have held on the property. He claims that a mortgage which was on the property was not transferred, as it had been promised to be and that Belville filed the property, thus causing Miller to suffer the loss of about \$500.

LEGION DRIVE LAGS.

Only 127 Names Have Been Secured in Campaign for Barre Post.

With the seven-day drive nearly half finished, ex-service men in Barre and Barre Town find that their efforts to organize a flourishing post of the American legion are attracting more and more public attention. And as the last day of the campaign approaches people who have no other interest than to see a splendidly worth-while movement succeed are wondering whether the two Barres will make their quota.

Yesterday's canvass was not altogether heartening, although here and there a few bright spots, such as substantial returns from ward one here in the city and Barre Town, stood out conspicuously. Nevertheless, the committee felt that nothing short of strenuous efforts to-day and to-morrow would make it possible to "clean up" the remainder of the quota in the few days of next week that precede the end of the drive. To-day a moving appeal goes out to every team captain and his assistants to make the most of their opportunities.

Barre post's representation at the state convention in Burlington next month depends wholly upon the manner in which ex-service men respond to the membership campaign. Other towns and cities in the state are not allowing their local drives to lag, and the results will show plainly in the state gathering. Barre had the honor of sending an extraordinarily large number to the colors, and it is felt that her delegation in the state convention should be correspondingly large. In all probability the outcome of to-day's and to-morrow's efforts will tell the story. It is time for every ex-service man to register.

To-day the clock in the waiting room at the Aldrich building, where campaign headquarters are maintained, registered 127, which means that 173 more names must be added before next Wednesday night if the rock-bottom minimum is secured. Many more actually should be received.

Percentage standings of the seven teams are as follows: Ward 1, 75 per cent, a gain of 23 points over yesterday; ward 2, 70 per cent, a gain of 11 points; ward 3, 40 per cent, which represents no gain; ward 4, 21 per cent, a gain of 7 points; ward 5, 12 per cent, a gain of 2 points; ward 6, 52 per cent, or a gain of 30 points. Barre Town came down the hostelry last night with 50 per cent, or a gain of 18 points.

TWO LICENSES REVOKED

Raymond G. Bushey of St. Albans and Edward T. Daley of Burlington.

Harry A. Black, secretary of state, this morning revoked the automobile operator's license of Raymond G. Bushey of St. Albans. The latter was involved in some truck accident and was in the city court as a result of the fracas. Mr. Black also revoked the license of Edward T. Daley of Burlington, who is alleged to have run over a girl in Burlington on Wednesday, leaving the place and not reporting the accident.

Reports on Moseley Accident Disagree. The reports of the accident which occurred in Northfield when Capt. and Mrs. John Moseley were injured Sept. 18 were received by the secretary of state this morning. They do not fully agree. Kenneth A. Gale of Barre reported that he was trying to pass a car and that the other car ran into a team. His report places the responsibility on the driver of the other car. O. G. Eaton made a report this morning that he held out his hand to warn any car following that he was passing a team and that the first occupants of his machine knew another car was parallel with the Eaton car, forcing it into the team. Mr. and Mrs. Moseley were thrown out of the team and although advanced in age escaped serious injuries.
